

**Jesselton University College (JUC)** is one of the leading private higher education institution in Sabah. JUC strives to focus on creating educational and career opportunities for people by means of which students may obtain higher education in various fields. Over the years, the university college focused on flexible and interdisciplinary training and educational systems.

Established since 1999, the institution has demonstrated outstanding and proven track record such as achieving 5-star rating by Ministry of Higher Education for consecutive years. As a commendation to its commitment and quality towards higher education, the Ministry of Higher Education has granted the University College status to the institution in 2021.

Being one of the leading private education institution, JUC has a long standing recognition from the local authorities. Programmes of JUC are recognized and accredited by the Malaysian Qualification Agency (MQA), Department of Skills Development (JPK), and Ministry of Human Resource (HRDCorp). JUC is licensed training provider panel for the Human Resources Development Corporation (HRDCorp), Pertubuhan Keselamatan Sosial (PERKESO), Ministry of Tourism Management (MOTAC), and Department of Skills Development (JPK).

With its root planted deep into the land of Sabah, JUC is spreading its branches further into the global horizon as such is to embark on the journey to seek recognition and accreditations in a global scale. In 2020, JUC has received its first international accreditation from Accreditation Service for International Colleges, UK (ASIC), in the areas of Quality, Student Welfare, and Premise & Health Safety. Subsequently, JUC was appointed by OTHM Qualification, UK, as an approved learning centre. Throughout the years of its global expansion, JUC accomplished as an institution member of Accreditation Council of Business Schools and Programs, USA (ACBSP), American Higher Education Alliance (AHEA), USA, and Chartered Association of Continuing Education (CACE), Asia.
